~~~~~

Juice Pouch money raised since 2008

**\$482.02**

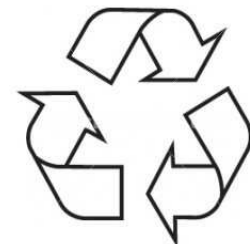

"The mission of the Shaker Regional School District is to develop a community of lifelong learners, critical thinkers and responsible, productive citizens."

*Belmont Elementary School...*

**RECYCLES!**

26 Best Street  
Belmont, NH 03220  
267-6568

Fall / Winter  
2011

## *Our School...*

### Juice Pouches

By collecting and recycling our juice pouches we raise money for our school.

[www.terracycle.net](http://www.terracycle.net)

### Milk Cartons

Our school recycles

**450** milk cartons each day!

### Recycling Bins

Each classroom and all office areas are equipped with a recycling bin for our recyclables. These bins are emptied into a large recycling dumpster and transported to the recycling center for processing.

## *..Our Community..*

Belmont can recycle too!  
Our town is offering two free recycling bins for each household. Bins can be picked up at the Town Hall.

Recyclables can be taken to Bestway Disposal at 43 Industrial Drive (Route 140 across from the Coca-Cola Plant).  
[www.belmontnh.org](http://www.belmontnh.org)

## *...Our Agenda*

### Upcoming Events

Here are a few simple ways you can contribute to the recycling efforts at BES.

Drop off your empty Elmer's glue bottles at BES... With the help of "Terracycle", we will be recycling the bottles to earn cash for our school.

Please don't throw away your empty ink cartridges or broken cell phones. Instead, deliver them to the BES office. These items will be recycled and our school will earn cash! Visit [www.CFKtoday.com](http://www.CFKtoday.com) for a complete list of recyclable electronic items that we are collecting.

We will also be reusing holiday cards at BES for many different classroom activities.

**We will recycle  
EVERYDAY!!!**
