As the Belmont Elementary School prepares to change from a Title I Targeted Assistance school to a Title I Schoolwide school, I attest to the following:

1. The school has completed at least one year of thorough planning towards educational improvement and reform.
2. Data was presented to me on \_\_\_\_\_, documenting that the school has a poverty rate of at least 40%. Data Source:
  - Free and reduced rate lunch counts for the school year 15-16
  - Some other acceptable way of measuring poverty. Please specify:  
\_\_\_\_\_
3. I am satisfied that the Belmont Elementary School's Schoolwide Plan meets all of the eight components required by the Elementary and Secondary Education Act as amended by the No Child Left Behind Act of 2001.
4. On \_\_\_\_\_ I approved the Belmont Elementary School's Schoolwide Plan.

These conditions having been met, the Belmont Elementary School will begin operating as a Title I Schoolwide School on August, 2016
